

Process for Approval of Virtual/Online Chapters of The National Beta Club

All virtual or online schools seeking to obtain a charter of The National Beta Club must first complete and submit the following questionnaire to the national office *before* continuing the steps for chartering a new chapter. National office staff members will review the submission to determine that the virtual program can fully meet the requirements of The National Beta Club Constitution. Once approval is granted, an approval code will be given that will allow you to continue the new club process. Approval notification will normally be returned within 7 - 10 business days.

Virtual/Online School Questionnaire

School Name _____

School Address _____

City, State, Zip _____

Email Address _____

Membership Requirements - *How will student membership qualifications (worthy, moral and ethical character, exemplary achievement, and commendable attitude) be determined and monitored?*

Induction Ceremony - *Although a ceremony is not a requirement, how does your virtual school plan to provide recognition of National Beta Club members?*

Club Meetings - *How will your virtual school coordinate meetings of the chapter?*

Service - *How will your virtual school bring students together for service projects? Although service hours are not required by The National Beta Club, club service projects are highly encouraged.*

Dual Membership - *How will your virtual school ensure that members do not have dual membership in The National Beta Club?*

Enrollment - *How many academic units will be required of your prospective members?*

Please return completed questionnaires via the following:

1. Email to: marketing@betaclub.org
2. Fax to: 864-542-9300, Attention Marketing & Development Department
3. Mail to: The National Beta Club, Marketing & Development, 151 Beta Club Way, Spartanburg, SC 29306
