

Thank you for continuing to celebrate your high-achieving students through National Beta! To offset the increased cost of operations while continuing to offer the best experiences and resources possible, we're implementing new membership and convention fees. We've thoughtfully reviewed these fees to bring you and your members the highest value possible, while retaining some of the lowest prices of any other student organization. The following fee increases will take effect September 1, 2022.

Along with the new fees, we will begin offering free standard shipping on all new member applications of 10 or more members beginning September 1, 2022.
