GREAT WOLF LODGE LAGRANGE, GEORGIA

OCTOBER 29-30, 2018 DEADLINE FOR REGISTRATION: OCTOBER 16, 2018

National**BETA**

Beta Leadership Mission

THE MISSION OF THE NATIONAL BETA CLUB LEADERSHIP PROGRAM IS TO INSPIRE TOMORROW'S LEADERS TO ACHIEVE THEIR PERSONAL BEST THROUGH SERVICE, CHARACTER, AND ACHIEVEMENT.

Objectives of Student Leadership Summits

STUDENTS WILL:

- Identify personal behaviors and personality styles
- Commit to identifying core ethical and personal values, and commit to act on them
- Develop relationships where the dignity and contributions of all people are respected
- Develop skills to be able to successfully work in groups and teams to accomplish a collective goal
- Connect with like-minded individuals in order to promote the ideals of the National Beta Club
- Increase their capability to achieve goals

Beta Leadership Principles

GROWTH: Developing the mind, body, and spirit

VALUES: Doing what is right

CHARACTER: Being conscious of your personal legacy

CONNECT: Developing relationships that encourage collaboration and teamwork

Cost

\$50 registration fee per member.

Sponsors and chaperones are free. The entire registration fee is non-refundable, but substitutions are permitted.

Deadline

The deadline to register is October 16, 2018. All students must be registered by this date in order to attend.

Leadership Challenges

**LEADERSHIP
REPRESENTATIVE**

**SERVICE
SNAPSHOT**

**RAPID
RESPONSE**

**LEAD OUTSIDE
THE BOX**

There are four leadership challenges offered at our regional leadership summits. Clubs will be able to register for each of the regional leadership challenges online during the registration process. Times for the challenges are listed in the tentative schedule but are subject to change due to the number of participants competing. Awards for these challenges as well as the appointment of three junior and three senior leadership representatives will be given during the final leadership session.

INTRODUCING: OFFICER TRAINING

Club officer training is designed for current Beta Club school officers. The program will discuss topics such as:

- Understanding the basics of National Beta and how it works
- What makes a good leader
- Tips and activities for leaders
- Goal setting
- Organizing your group
- Problem solving
- Conflict resolution
- National Beta Club Events

Advanced registration is required and space is limited. Four officers per school are eligible.

LEADERSHIP REPRESENTATIVE

Representatives appointed at each regional summit are eligible to compete for three National Senior Leadership Representatives and three National Junior Leadership Representatives. Participation allows students to collaborate with fellow members, compete in a collaborative project on-site, as well as serve as a representative the following year. These appointed National Representatives will also help facilitate a Leadership Session at the following year's National Convention.

*** ONLY ONE STUDENT FROM EACH CLUB MAY PARTICIPATE. IF SELECTED AS A LEADERSHIP REPRESENTATIVE, THE STUDENT MAY NOT RUN FOR STATE OFFICE.**

Competition Guidelines

ELIGIBILITY: Junior Representatives must be a 4th, 5th, 6th, or 7th grade students, in good standing, officially enrolled in the National Beta Club and registered for the Regional Leadership Summit by the deadline. Senior Representatives must be a 9th, 10th, or 11th grade student, in good standing, officially enrolled in the National Beta Club and registered for the Regional Leadership Summit by the deadline.

The following rules and regulations should be read carefully. By submitting the nomination and recommendation form, you are agreeing to abide by these rules and regulations.

1. Three National Junior Leadership Representatives and three National Senior Leadership Representatives will be selected and serve the following year.
2. The Sponsor(s) or Executive Head of the representative's school must write a brief recommendation during the registration process to include, but not limited to, the student's leadership qualities.
3. If a representative is selected and later dropped from the local club or if the representative is not enrolled actively in school during the entire term, the representative forfeits the right to serve as a Leadership Representative. It is imperative for the selected representative to notify the National Office immediately if he/she is unable to serve.
4. Nominees will be given an onsite task and be evaluated on collaborative/leadership skills as well as a short interview.
5. Representatives must wear business casual attire to the meeting/interview.
6. National Representatives selected at the National Convention must attend the following year's National Convention to help facilitate the Leadership Session.
7. Submission of the registration is a pledge stating that he/she will attend all of the representative meetings and sessions of the Convention, and will fulfill all of the duties assigned the following year. This means he/she is obligated to attend all meetings and sessions both years, when nominated and when serving as a Regional or National Leadership Representative. Failure to fulfill this obligation will result in the representative forfeiting his/her opportunity to run and serve.
8. Students selected as a Regional or National Leadership Representative are not eligible to run for state office at the state convention.

RAPID RESPONSE CHALLENGE

Teams of 5 to 8 students will engage in quick, creative, and critical thinking challenges. The team members must think on their feet by applying collaborative leadership skills to produce a response in a certain time frame. The challenge will be a combination of performance-based and task-based problem solving.

Competition Guidelines

1. Teams will consist of 5-8 students
2. Teams will be required to collaboratively engage in higher level cognitive abilities such as abstract reasoning, problem solving and memory skills
3. The challenge will be given onsite and requires students to complete the challenge in a certain time limit
4. Students will need to provide a #2 pencil
5. General times for the challenge are listed in the tentative schedule but specific times for the presentation will be given two weeks prior to the summit
6. Awards will be given to the top exhibitors at the final session

* Students can NOT be registered in multiple challenges.

SERVICE SNAPSHOT

Teams of 3 to 5 students will identify, design, and carry out a service project that addresses at least one real community need. Clubs will showcase the community need and highlight the creative service project in expo format.

Competition Guidelines

1. The entire club may participate in the service project but a group of 3-5 students will present the project in expo format.
2. Teams will identify a need in their community
3. Teams will describe the plan of action and how the club carried out the service project
4. Teams will create a visual logo of the service project and present how the project was carried out
5. Each team may use visuals in the presentation but electrical outlets and projectors will not be provided
6. Handouts and other documentation may be given to others to review during the expo
7. Teams will have a two minute time limit to present to the evaluators and then will have a brief time for evaluators to ask questions about their service
8. General times for the presentation are listed in the tentative schedule but specific times for the presentation will be given two weeks prior to the summit
9. Awards will be given to the top exhibitors at the final session

* Students can NOT be registered in multiple challenges.

LEAD OUTSIDE THE BOX

Teams of 4 students will be given a real-world problem at the beginning of the event. On the second day of the event, teams will give a two minute presentation of how they solved the given problem followed by a question/answer segment.

Competition Guidelines

1. The entire club may participate in the problem solving but a group of 4 students will present the solution to the problem
2. Teams will be given a real-world problem at the beginning of the summit
3. Each team may use visuals in the presentation but electrical outlets and projectors will not be provided
4. Teams will have a two minute time limit for the presentation and evaluators may ask questions about their solution
5. General times for the challenge are listed in the tentative schedule but specific times for the presentation will be given two weeks prior to the summit
6. Awards will be given to the top exhibitors at the final session

* Students can NOT be registered in multiple challenges.
