### SAMPLE BREAKOUT SESSIONS

- **STEM: Fueling the Future**

Start your engines and let the race begin! Using STEM based activities to demonstrate how easy it is (and fun) to add problem-solving and critical thinking into any academic class as well as your Beta curriculum.

- **SEASONS OF SERVICE**

Learn how to incorporate service year round. From small after-school projects to year long community initiatives, this workshop will provide you with a plethora of ideas as you begin to "Fall" back into school.

- **GOOGLE DRIVE - IT'S NOT JUST FOR THE CLASSROOM**

Are monthly committee meetings just too hard to fit into your already busy schedule? This session will discuss the utilization of Google Drive functions in effectively organizing, conducting, and communicating within extracurricular organizations, district committees and faculties.

- **NEW SPONSOR IN TOWN**

Don't let being a new sponsor overwhelm you. Learn ways to make your Beta experience more successful so your club will be an outstanding force in your school.

- **CONVENTION 101**

Pack your bags and expand your students' horizons . Beta convention provides a multitude of opportunities for students from grades 4-12. Investigate new convention competitions, learn ways to increase student involvement, and heighten each members' experience.

- **BETA LEADER**

This interactive presentation will look into different aspects of being a leader. Defining leadership, setting goals, identifying strengths and weakness, and dealing with adversity will be explored. Take away tools to teach students to be better leaders not only in their club but in their lives beyond school.

- **BETA...IT'S A BALANCING ACT**

From managing your classroom, to grading papers, to writing lesson plans, how do I find time for Beta? Learn techniques and creative ways to effectively manage your club so that you can be an exceptionally organized and dynamic sponsor.

**AND MANY MANY MORE!**
